## Oklahoma Association of Public Treasurers

OAPT Membership is open to any and all public treasurers and finance officials within the State of Oklahoma and is a great way to meet other treasurers and finance officials who experience the same challenges of being a public coffer in a governmental world. The Oklahoma Association of Public Treasurers provides continuing education opportunities for all public treasurers and finance officials who handle public funds in Oklahoma. In addition, OAPT provides a forum for the active exchange of ideas and is committed to promoting professionalism among its membership.

### STATE ORGANIZATION

The OAPT Board of Trustees are elected each year at the annual conference. The Board is comprised of President, Vice President, Secretary, Treasurer and three Board Members. All Board members serve rotating terms.

OAPT works with the Oklahoma Municipal Clerks, Treasurers and Finance Officers Association (OMCTFOA) to provide speakers and education opportunities and financial support for the annual conference held in October each year.

### NATIONAL ORGANIZATION

The Oklahoma Association of Public Treasurers is the state affiliate of the national Association of Public Treasurers of the United States and Canada which represents over 2,000 public treasury and finance officials in local, county and state/provincial governments throughout North America.
