

# Payment technology solutions and merchant account services to help drive your business.

Enabling businesses of all sizes find the right solution for their payment processing needs, but what we are most recognized for is our dedication to customer service.

Capital Bankcard offers business owners a comprehensive suite of payment technologies and merchant account services.

Our solutions are equipped to meet any merchant need, from processing credit and debit cards, to online retail presence, to implementing a future-proof payment technology that provides scalability, flexibility, and security.

We will help you choose the best and most cost-effective solution for the needs of your business and help ensure your business stays up-and-running.

## THE CAPITAL BANKCARD DIFFERENCE

### INNOVATIVE TECHNOLOGY

Our groundbreaking payment solution delivers traditional and mobile payment acceptance (*Credit, PIN Debit, Sig Capture, EMV, NFC and QR/2D*) from a universal commerce solution.

### SECURITY

Capital Bankcard incorporates leading edge encryption and secure technology in our software. Each of our payment solutions helps you achieve and maintain PCI compliance.

### CUSTOM PRICING

We work with you to understand your business so we can provide you with a customized account that fits your needs. Our individual approach ensures you receive the lowest cost.

### IN-HOUSE SUPPORT

Our dedicated and highly trained in-house customer service and technical support staff is available to answer your questions 24/7. You will talk to someone who knows your business and understands your specific needs.
