

BETTER

GOVERNMENT

For the past 25 years, NIC has served over 5,500 federal, state, and local agencies across the United States.

We offer a wide range of payment processing services to you at NO COST!

ABOUT OKLAHOMA INTERACTIVE

Oklahoma Interactive is established as part of NIC, Inc., based in Oklahoma City, with local footprint and pride in Oklahoma. Oklahoma Interactive manages payment processing for more than 400 customized services for Oklahoma.

ABOUT NIC

NIC built the nation's first transaction-based self-funded solution. Currently manages more than 13,000 customized services. Securely processes over 320 million transactions worth more than \$21 billion each year on behalf of government.

Oklahoma Interactive, LLC is part of the eGovernment firm NIC, Inc. headquartered in Olathe, Kansas. Founded in 1992, NIC, Inc. (NASDAQ: EGOV) is the nation's leading provider of official government websites, online services, and secure payment processing solutions.

**Easy
Payments**

Transaction Payment Engine

A Level 1 PCI-DSS Compliant, multi-channel payment gateway which processes credit cards, debit cards, and eChecks (ACH).

Common Checkout Page

Fully customizable and skinnable interface to integrate payments into third-party applications.

PayPort Over the Counter

Highly configurable web-based cashiering system created specifically for government to process payments in person or online.

OnTheGo Pay

Take payments anywhere from a mobile card reader. Securely store information when outside service range, then processes when in range.
