Government Finance Officers Association of Oklahoma

The Government Finance Officers Association of Oklahoma (GFOAO) serves you, the government finance professional. As a GFOAO member, you will be among the Oklahoma officials who believe their continuing professional development through the association distinguishes them in their fields. Membership in the state organization allows GFOAO to provide funding for educational sessions at the Oklahoma Municipal Clerks, Treasurers, and Finance Officials Annual Conference. GFOAO is one of the endorsing organizations of the Oklahoma Municipal Clerks and Treasurers Institute held each spring. Without the support of your membership in the Government Finance Officers Association of Oklahoma, financial assistance provided for education and professional development would be impossible.

Through the Government Finance Officers Association of the United States and Canada, the association offers excellent programs and services in all areas of government financial management. Members of the national organization are officials of city, county, and state governments; school and special districts; retirement systems; colleges and universities; and other finance professionals. Through local GFOAO membership, individuals responsible for government fiscal policy and management seek to improve their knowledge, job skills, and professional performance.

## Our Mission
